

BUTCHERS & BICYCLES

MK1-E 2018 Wear parts list

This is a list of most frequently replaced parts for MK1-E cargo bike.

Note: unless otherwise noted the listed parts are not covered by warranty.

* Bosch rechargeable batteries are covered by 1 year voluntary battery capacity guarantee. We guarantee that the battery capacity will not fall under 60% within 1 year, or within the first 500 full charge cycles (whichever comes first).
